Workshop Outline

Flying Colours, Elevating Success' mentoring programme is designed to appeal to young people of all ages, nationalities and race.

It focuses on six key areas for young people: education; careers; family/friends; crime; health and life skills.

Our mentoring consists of one-hour, weekly one-to-one sessions that take place in schools or at our training centre.

One of the common features of our mentoring programme is the development of positive and meaningful relationships as a vehicle to raise the aspirations of participants to succeed.

Our CRB-enhanced staff represents the diverse clientele we work with and as such are both male and female and represent a variety of ethnic groups. They are equipped to offer support, encouragement and guidance.
